INTRO ***3 x a'capella, 4th time play&sing***

```
G                    C
Da da da bombom. Da da da bombom
F                    C//          G//
Da da da bombom, do do do dow.
```

```
G                    C
Hey, I got a lot of faith in you
F                          C//                    G//
I'll stick with you cause that's the bottom line
G                          C
Yeah, you have a lot of fun don't you
F                          C//        G//
And living with you is a ball of a time
G                          C
Hey beauty, when the mood gets you down
F                          C//              G//
your bottom lip's near draggin on the ground.
G                                C
That's when I gotta play the clown for you
F                                      C//   G//
Black humour made you ~ kick your blues.

Am//     G//  D
Howdy  ang-el  Oooooo,
A//              G//         D
where did you hide your wings?
```

BRIDGE

```
     G//            D//   A//   Em//
Her love shines over my horizon she's a ~
          G//            C//   G//      G//
          slice of heaven (slice of heaven)
     G//            D//   A//   Em//
Warm moonlight over my horizon she's a ~
                       G//            C//    G////
                      slice of heaven.  Yeah
```

OUTRO ***fading on the 4th time***
