

NZ9 DOWN THE HALL ON SATURDAY NIGHT

Peter Cape, 1958

I got a new brown sports-coat,

I got a new pair of grey strides,

I got a real Kiwi haircut,

A bit off the top, an' short back and sides.

Soon as I've tied up me guri,

Soon as I've swept out the yard,

Soon as I've hosed down me gumboots,

I'll be living it high and hitting it hard.

I'm gonna jump right onto me tractor,

Gonna belt 'er out of the gate,

There's a hop on down at the hall, and

She starts sharp somewhere 'bout half past eight.

Hey look at the **C** **F** **C**
sheilas cutting the supper
C **F** **G7**
 Hey look at the kids sliding over the floor
C **F** **C**
 Hey look at the great big bunch of jokers
G7 **C**
Hanging 'round the door.

C **F** **C**
 I had a schottische with the tart from the butchers

SLOW	C	F	G7
I had a <u>waltz</u> with the <u>constable's</u> <u>wife</u>			

C **F** **C**
 I had a beer from the keg on the cream-truck
G7 **C**
 And the cop had one too, you can bet your life

C **F** **C**
 Hey, it's great being out with the jokers
C **F** **G7**
 When the jokers are sparking and bright,
C **F** **C**
 Hey it's great giving cheek to the sheilas

 Down the hall on Saturday night
